Objectives

Assist in building schools, classrooms, laboratories, and libraries for orphanages and poor communities;

Assist in constructing wells to provide potable water;

Construction and repair of housing;

Teaching, and training of community representatives to assist in teaching, literacy and basic math skills;

Provide medicine, medical equipment and medical services;

Provide food and clothing;

Generally providing programs to advance self sufficiency.

Mission Statement

Malcolm Smith Motorsports Foundation commitment is to orphaned children in communities that champion motorsports events. We endeavor to provide these children with not only the basic necessities of life; food, clothing, shelter, water and education, but to encourage their growth in the arts, the sciences and the trades, and to encourage them and provide for them through university level education.
